

## Group Catering Menu

From board rooms to team busses, we've got the good eats you'll love to share.

### Signature Sandwich Platters \$15/PERSON

Our sandwiches start with fresh breads and croissants, made from scratch and baked daily here in our kitchen. Our platters offer great variety to meet a wide range of tastes, and we can accommodate vegetarian and vegan guests upon request. Our meats and cheeses are local, as well as our veggies (in season). We prepare our own spreads and our breads are made with local flour.

### Hot Meal Selections

All of our hot meals are available in 12- or 20- person serving sizes. They come with our Baguettes Parisiennes and garden salad with choice of our creamy dill or our raspberry vinaigrette dressing. *Substitute garden salad for our homemade Caesar Salad with sourdough croutons and premium Parmesan cheese for just \$1/person.*
